

REMARKS

With reference to the telephone message to the undersigned on August 18, 2008, advising that only pages 1-4 of the specification of the International application had been submitted on July 1, 2008, a complete copy of the International application is submitted herewith, and applicant notes that the specification of the International application includes only 4 pages. Page 5 of the International application as originally filed is the first page containing claims. Applicant requests that the application be amended as indicated above in order to terminate the sentence starting at page 4, line 27.

Respectfully submitted,

John Smith-Hill
